

Come and learn about the amazing grace given by Jesus through the Divine Mercy devotion.

The feast will be celebrated on Sunday April 12th. Don't miss out hearing about how to receive a full pardon from all temporal punishment due to sin. Jesus told St. Faustina:

“Whoever approaches the Fount of Life on this day (feast day) will be granted complete remission of sins and punishment”.

Bring friends! Bring family! Bring something to munch on!
